John T.,
Attached is the information you were asking for regarding "Use of Force",
and Electronic Control Device's (ECD's). I pulled this information from the
FS Directives on the Intranet. I have pasted the portions from the FSM and
FSH that address the questions posed by the rainbows. This information can
also be found on the web at www.fs.fed.us (Pubs, Regs, Manuals).

(See attached file: FSM 5387 - Non Lethal Defensive Equipment Policy.doc)
(See attached file: FSH 5309.11_54 Use of Force Policy - Non Lethal
Defensive Equipment.doc)
