DALE ROBERT KELLOGG,	:	
Defendant	:	DEFENDANT'S PROVISIONAL MOTION
	:	FOR CONTINUANCE

Now comes the Defendant, Dale Robert Kellogg, acting on his own without counsel, and moves the Court to continue the hearing set for September 28, 2009, to allow consideration of "Defendant's Emergency Motion to Dismiss or for Mistrial", also submitted here and now pending.

This Motion is "provisional" in that the Court might continue or cancel the hearing in light of its procedures on the attached Motion, or its findings in response. It is submitted with respect for the Court's time in an unneeded proceeding, and in duress, seeking relief from being forced to travel a long way and appear on that date without adequate notice or representation of counsel.

Respectfully submitted,

Dale Robert Kellogg, Defendant
