CIVIL ACTION FILE NO.

STATEMENT UNDER PENALTY OF PERJURY

COMES NOW, Brynan Hadaway who states under penalty of perjury as follows:

1.

I am over 18 and competent to give this statement.

2.

About 10 years ago I first heard about the Rainbow Family Gathering. I was unable to attend any of the gatherings because of family responsibilities and how far away the events were.

3.

This year I have finally had the opportunity to attend but I heard from a friend who was already in attendance that people were being stopped for no

apparent reason and their vehicles searched even though nothing was even found and the contents of their vehicles were in shambles.

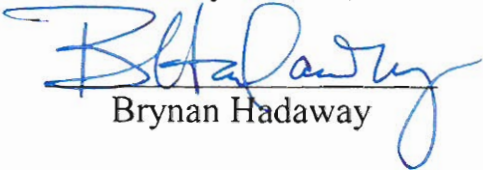

4.

I decided not to go to the event because I am afraid of being stopped and harassed simply because I want to partake of the workshops and enjoy the sense of comradery. It is just not worth it under the circumstances.

5.

If officers were not routinely stopping vehicles at the National Park, I would be going to the event as soon as I could.

This 29th day of June, 2018.
