

STATEMENT UNDER PENALTY OF PERJURY OF
ALAINA NICOLE WENRICH

COMES NOW, Alaina Nicole Wenrich, who states under penalty of perjury
as follows:

1.

I am over 18 and competent to give this statement.

2.

We were stopped by several LEO's for no reason. They claimed that the reason the purpose of their stop was that the middle seat of the truck in which we were in did not have a seat belt.

When I was searched by them, I felt like the search was too invasive, I was not told that it would be a cavity search, but in my opinion they got too close to what could be considered a cavity search.
