Dear Mr. Addison:

This letter is a partial response to your Freedom of Information Act (FOIA) appeal dated September 12, 2009. Your appeal was received in our Washington Office FOIA Service Center on September 15, 2009. Your appeal has been assigned control number 09-2445-A to correspond to your initial request numbered 338 by the Region 3 FOIA Service Center. You are appealing "issues of FOIA procedure, as well as significant exclusions in the content of cumulative Responses."

We are working to complete our review of your appeal. A second search for responsive documents has found 64 additional pages responsive to items 2 and 3 of you original request. Thirty-four pages can be released in entirety.

In accordance with Title 7 CFR, Subtitle A, 1.14 appeals, our proposed response on the remainder of your appeal requires review by the USDA Office of General Counsel (OGC) for legal sufficiency. This includes the remaining 30 pages found during the second search. Once OGC has completed the review, we will forward our determination and the additional pages to you.

If you have questions regarding the status of your appeal, please contact FOIA analyst Karen Terney at (202) 205-1286, or by email at kterney@fs.fed.us. Please identify your request by the assigned control number 09-2445-A.

Sincerely,

JAMES S. BEDWELL
Director, Recreation and Heritage Resources
