Legal Observer Notice

Ms. Marten and Those Concerned:

Please take Notice that the undersigned Scott C. Addison will act as a Legal Observer in conjunction with the current 'Rainbow Gathering' in Allegheny National Forest and related public forum sites – from this date through about 18 July 2010, as needed.

This Notice also may authorize individuals named below as associated *Volunteer Observers*, working in cooperation at various times and locations. Their efforts also stand within its scope and auspices, and within the full rights of civic duty.

Where our work may involve first-hand witness and recording of official actions, it will be performed with decorum, and without interference. In turn, we require full access and reasonable proximity by sight & sound, and hold investigative work product in privilege – based on mutual protections of law, fair rules of engagement, and simple respect.

Our purposes are public interest research, policy advocacy, and protection of First Amendment rights... in accord with the longstanding mission of *PCU // Free Assembly Project*.

Thank you for your cooperation.

Respectfully,

Scott C. Addison, Coordinator
